

## Thursday, November 14<sup>th</sup>, 2024

8.00-8.30	Registration		
8.30-9.10	Keynote: Hot topics in endometrial carcinoma: molecular classification, ultrastaging and the 2023 FIGO (Anais Malpica, USA) (Room A)		
9.10-9.40	Coffee break/Poster viewing		
Time	Room A	Room B	Room C
9.40-10.20	A22 Dermatopathology: Diagnostic pitfalls in cutaneous infectious diseases (Wayne Grayson, South Africa)	B22 Gynecopathology: Ovarian epithelial tumors, diagnostic challenges (Anais Malpica, USA)	C22 GI Pathology: Common morphologic patterns of gastritis and gastropathy, and their clinical correlations (Sadhna Dhingra, USA)
10.20-11.00	A23 Dermatopathology: Non-infective mimics of cutaneous infectious diseases (Wayne Grayson, South Africa)	B23 Gynecopathology: Gynecologic pathology seminar (Anais Malpica, USA)	C23 Liver Pathology: Autoimmune liver diseases, a diagnostic update (Sadhna Dhingra, USA)
11.00-11.30	Preluncheon symposium: Room A		Preluncheon symposium: Room C
11.30-13.00	Lunch break		
13.00-13.40	A24 Dermatopathology: The histopathological spectrum of cutaneous tuberculosis (M. Ramam, India)	B24 Gynecopathology: Cervical glandular lesions: diagnostic pearls and pitfalls? (Takako Kiyokawa, Japan)	C24 Pancreatobiliary Pathology: [TBC] (Huamin Wang, USA)
13.40-14.20	A25 Dermatopathology: The histopathological diagnosis of leprosy: a 2-step approach (M. Ramam, India)	B25 Gynecopathology: Selected topics on the female peritoneum (Takako Kiyokawa, Japan)	C25 Pancreatobiliary Pathology: [TBC] (Huamin Wang, USA)
14.20-14.40	Coffee break/Poster viewing		
14.40-15.05	A26 Oral presentation/Interesting cases	B26 Oral presentation/Interesting cases	C26 Sponsor session
15.05-15.30	A27 Dermatopathology: Infectious pseudomalignancies (infecting diseases mimicking neoplasms) (Alvaro C. Laga Canales, USA)	B27 Gynecopathology: Interesting case (Natthawadee Laokulrath, Thailand)	C27 Pancreatobiliary Pathology: [TBC] (Huamin Wang, USA)

All academic sessions will be presented in English

## Friday, November 15<sup>th</sup>, 2024

8.00-8.30	Registration		
8.30-9.10	Keynote: Hematopathology (Guang Fan, USA) (Room A)		
9.10-9.40	Coffee break/Poster viewing		
Time	Room A	Room B	Room C
9.40-10.20	A32 Hematopathology: (Phil Raess, USA)	B32 Uro pathology: (Gladell P. Paner, USA)	C32 Breast Pathology: Changing landscape of HER2 evaluation in breast cancer (Savitri Krishnamurthy, USA)
10.20-11.00	A33 Hematopathology: (Phil Raess, USA)	B33 Uro pathology: (Gladell P. Paner, USA)	C33 Breast Pathology: Breast tumour classification - evolving perspectives (Puay Hoon Tan, Singapore)
11.00-11.30	Preluncheon symposium: Room A		Preluncheon symposium: Room C
11.30-13.00	Lunch break		
13.00-13.40	A34 Hematopathology: (Wei Xie, USA)	B34 Uro pathology: (Ngoentra Tantranont, Thailand)	C34 Breast Pathology: My approach to the diagnosis of fibroepithelial lesions (Puay Hoon Tan, Singapore)
13.40-14.20	A35 Hematopathology: (Wei Xie, USA)	B35 Neuropathology: Approach to glioma in resource-limited settings: an oncologist's perspective (Sith Sathornsumetee, Thailand)	C35 Bone and Soft Tissue Pathology: Adipocytic tumors: what's new in fat (G. Petur Nielsen, USA)
14.20-14.40	Coffee break/Poster viewing		
14.40-15.20	A36 Hematopathology: EBV-associated lymphoproliferative disorders: a diagnostic challenge (Kran Suknuntha, Thailand)	B36 Neuropathology: Approach to glioma in resource-limited settings: a pathologist's perspective (Shanop Shuangshoti, Thailand)	C36 Bone and Soft Tissue Pathology: Notochordal cell tumors (G. Petur Nielsen, USA)

All academic sessions will be presented in English
