Membership of the IAP-AUS is required to attend
Complimentary Educational Series

Tuesday, 31 March 2026, 5:00 pm (AEDT)

Keeping your head above water

The Art and Science of Grossing
Complex Head and Neck Specimens

Join us for a case based practical guide to simplify some of the most glorious and frightening specimens you'll lay hands on as a registrar (and consultant!).

PRESENTED BY:

Dr. Rebecca Morrow

Zoom registration is required to attend the Educational Series
